Dear **Dr,**

We require our patients who have undergone bariatric surgery in the form of gastric bypass and sleeve gastrectomy, to have frequent blood tests so that we can monitor nutritional levels and determine any potential health problems before they occur. The tests we require are below:

Tailor Clinics T: 07 859 0185 E:reception@tailorclinics.co.nz

NZMC NO: 21476 **Code:** SCHR D
